...yano
Ayano.
What's the matter?
I just heard Papa and Mama's voice.
I think...
I grew up sheltered by my 3 older brothers
Way back when I was little, both of my parents passed away My brothers and I were adopted by a relative
You're with your brothers, after all.
Let's go, Ayano.
Squeeze

But Ayano-chan is pretty scary.
Yeah.
What? What's that all about?
They all try so hard for my sake
so before I even realized..
I've been thinking about this for a long time...
It's how you talk.
WAVE
WAVE
There ain't nothing scary about me!
It's like you're angry all the time. That's what everyone says.
You always use bad words
Just like a boy.
Eh...

I heard this from my Mom.
Ayano-chan is not normal.
Stop it, guys.
Have some sympathy guys, c'mon.
you can't tell her that she's different from everyone else.
Because she's not normal,
C'mon, don't cry Aya-chan.
...k
Krk...

Do you think so too, Wataru?
Hmmm
Creak
Creak
They say that I'm not normal...
and that I'm different from everyone else...
Creak
I don't think that at all
more like... I don't care.
Is it because I'm so pitiful...
Tear
How-ever...
!
Ahaha
I guess that is true.
They said I don't talk like a girl at all too...
.....

I've never had any trouble talking to you, Aya-chan.
Oh well, whatever...
a girl without a shred of femininity can know something like that...
The only reason that someone like me...
is that "She has someone she likes now""
"When a girl ignores you, the only reason that I can think of

I can only stand and watch from the side.
Is because no matter how great my unrequited love for Wataru is
Am I not good enough?
I will never change, you know?
I've held on to these feelings for maybe 10 years now...
10 years, huh...
In all honesty, I think I'm about to reach my limit...

Oiii, what's wrong, Aya-no?
Are you asleep?
Nah, she's awake.
Is she playing dead?
Don't be stupid.
SHUFFLE
This is my funeral!
That's right!
A funeral!
silence...
What?

That's just hungry talk, ain't it?
Ga ha ha
Just eat and sleep! You'll get better in no time!
Eldest son:
Big brother Ichi
Don't be stupid, she obviously has something on her mind.
I'm making dinner. You lot should hear her out.
Second son:
Shirou-chan
C'mon, hurry up.
Weren't you just about to die?
What's with that face?
Third son:
Saburou
GYAAAA
What's the point of having 3 brothers if none of them can even seriously ask me what's wrong!?
GEEE-LLL...
WOBBLY

If you're sad about something then just say it.
So?
What's wrong?
I'm being serious, okay?
So give me a serious answer!
Fine, fine.
Don't be annoying! Just say it!
wave wave
Promise me...
Promise you'll answer as neutral as possible.
Promise you won't make fun of me!
!?
It's about...
an unrequited love.
Normally, how many years does it take before you naturally give up on it...?

I want a neutral opinion about that difference!
Shh...
then isn't the difference between unrequited love and stalking paper thin?
Wave
Wave
If we look at it another way,
Aaaaaaaah
I wonder... are those two things signs that I should let go?
Or like how I'm unable to wish for his happiness...
Kick
Like when I see the person I like I immediately kicked a ball to his face.
Is killing off my heart and resetting everything too drastic of a move right now?
Geez~
But even so, I can't turn my feelings around that quickly!
Who are you talking to?
That's scary.
Bam
How do you normally deal with this? Am I that hopeless?
What do you think, everyone?

won't forgive.
I'm pretending that there's a group of people who understand me sitting right here...
It's fine!
This is normal!
The heck is that? It's creepy...
Calm down, big brother!
BAM
GRR
nor unrequited love!
Neither the brat Ayano likes
RRR
Who is this brat!
Take me to him!
GRAAAAA
Squeeze
Squeeze
FLAP
FLAP
Hurry up! Sit on him! Pin him down you dumbass!
All hell will break loose if we let him go, you know that!

But I'm the frank tomboy character at school!
Why don't you talk about love and stuff with your friends at school?
Speaking of which...
I let things get out of hand, so now I don't know what to do.
Let's just play sports
-whatever
But I've always said that this stuff is too bothersome for me to care. That's why things have turned out like this.
I do have male and female friends.
Do you seriously think we can give you an answer?
Even so, it's way easier to talk about this with your friends right?
Eh, is that normal?
Anyway, family love stories are not something me or these two can handle.
Hell if I know!!
clack

Hey Shirou-chan,

do you not like family talks like this?

Dinner's ready.
Go wash your hands.

Eh, why?
Just don't expect anything from my answer.
I'll hear out everything you have to say, Ayano.
